Please check and update information in all tabs (excluding Member Info) under the “My Profile” section:

Contact Personal Snowsports Activity Disabilities Group and Military Info (if applicable)

We have changed some of these screens so please check and update all of them. Complete all sections thoroughly and honestly. This helps us provide the safest and best possible experience for the student. Some tabs are long, be sure to scroll to the bottom of every tab. When you are finished with your profile press the “I am finished with my Profile” Button found just above the tabs.

Fill out your snow sports schedule. Click on the **“My Snowsports Schedule” Button**

My Snowsports Schedule: Requesting Lessons

To request a lesson go to “My Snowsports Schedule”.

You will see two tables “Invoiced Items” (which are lessons you have already made and invoice) and “Shopping Cart” (lessons you are thinking about)

Follow the instructions on scheduling lessons found on the Schedule page.

Review your shopping cart to ensure your accuracy before you press Create Invoice. Once you have created your invoice you can pay online with Visa, or MasterCard. (Please pay each invoice separately – do not pay multiple invoices on one credit card transaction.) If you choose to pay by check then click “Print Version” and print the invoice. Send the payment receipt or invoice with payment and other required paperwork to the scheduler. You will receive an email from our scheduler with your confirmed lesson dates.

Lessons are available on a first come, first served basis. Last year our schedule filled very quickly, so please get your information and payment in early.
