Dear Group Coordinator,

We look forward to having you join us on the slopes this year. This letter provides you with the information you need to register. Ignite will offer lessons at Eldora Mountain Resort every Thursday, Friday, Saturday, and Sunday beginning Thursday January 3rd and ending Sunday March 31, 2018.

We also have a few exclusive days for larger groups Monday-Wednesday.

Each lesson includes a lift ticket, all required equipment, and a private lesson from a trained instructor for each individual student. Lunch is not included; however, refrigerators, microwaves, water, hot drinks, and tables are provided free of charge.

Please note that for safety of both our students and instructors, stand up Snowsport participants cannot exceed 250 pounds. Sit-skiers must weigh less than 200 pounds.

Student information and lesson requests are all completed online. For returning groups, please use the same account and login you used last year. If you do not remember your login information, please follow the instructions on the login page of our website. (www.igniteadaptivesports.org)

If you are new to our program, please contact Jennifer DeLaurent, the Ignite Scheduler. (Phone 303-908-1551 or email: scheduler@igniteadaptivesports.org). Jen will go over details about how to register and schedule your group and you'll receive a Memorandum of Understanding (MOU) regarding your participation from Carol Nickell, the Ignite executive director.

Important Forms: Once you have registered, complete the forms referenced below and mail them to: Ignite Adaptive Sports, PO Box 19016, Boulder CO 80308.

- A signed (in blue or black ink) Student waiver for each student or legal guardian.
- A signed Equipment Waiver for each student/legal guardian. (Even if you have your own equipment)
- A \$40 Annual Registration Fee is required for all slots reserved.
- Group Rates are set per- signed MOU.

We understand that Group Coordinators may not know exactly who is going to be attending, or may have different students attending different sessions. Once your group is confirmed, we'll reserve slots to ensure qualified instructors for that student's disability.

This year our website can calculate your invoice according the information entered. You can also pay online with a credit card (Visa or MasterCard only). If you see issues with your online invoice, please let the Jen know as soon as possible so we can get it resolved.

A confirmation of your schedule will be emailed to you after we've received payment. Last year our available lesson spots filled very quickly, so please contact us to schedule your group as soon as possible. If you have any questions about our program or any of the information contained in this letter Jen is your primary point of contact. Email: scheduler@igniteadaptivesports.org or phone: 303-908-1551.

From all of us at Ignite Adaptive Sports, we look forward to providing you with a snow sport season full of safety, fun and learning!
