

# IGNITE NORDIC TRAINING REQUIREMENTS

Times and locations.

- Morning classroom clinics are from 9AM to 12PM
- Afternoon classroom clinics are from 12:30PM to 3:30PM
- On-snow clinics are from 8:30AM to 3:30PM (may include lunchtime discussion so bring your lunch)

## **Sign up for clinics.**

**Please register for all clinics via the web site. You must have a Staff Login to do so. After you login on your My Accounts page click on the “Ignite Clinic Registration” link. Please send email to [clinics@igniteadaptivesports.org](mailto:clinics@igniteadaptivesports.org) if you have any questions. Directions to locations and further details can be found on your clinics page.**

**Online Training Video - Training videos can be found from your Ignite Account. On your home page (My Account) select the “Online Training” button.**

**Some of the clinics have more than one available time. You only need to select one.**

**There are 3 pages to this document.**

# IGNITE NORDIC TRAINING REQUIREMENTS

## **Training Requirements for New Nordic Instructors**

### Classroom / Online Training Required:

- Ignite Adaptive Skiing/Riding overview – Online Training “Non Video Section”

- If you are taking Nordic Visually Impaired On Snow Clinic
  - “Introduction to Visually Impaired” Online Training Video
  - The Visually Impaired documents on the Ignite web site. On your Ignite Account page click on “Training Documents and Forms”

### On Snow Training Required :

- Nordic Equipment and Teaching Progression

### One Full Day of Additional Clinics – choose from:

- Nordic Adaptive Teaching 100
- Nordic for Visually Impaired
- Classic Ski Skills
- Snowshoe Trails
- Nordic Sit Ski

**You are welcome to take any other on snow or classroom clinics that are not restricted to “Returning Instructors” or “By Invitation Only”**

# IGNITE NORDIC TRAINING REQUIREMENTS

## Training Requirements for Returning Nordic Instructors

### Classroom / Online Training Required:

- If you are taking Nordic Visually Impaired On Snow Clinic
  - “Introduction to Visually Impaired” Online Training Video
  - The Visually Impaired documents on the Ignite web site. On your Ignite Account page click on “Training Documents and Forms”

### On Snow Training Required:

2 full days of elective clinics from below (or 1 full day of Nordic clinics and 1 day of Alpine clinics)

- Nordic Equipment and Teaching Progression
- Nordic Adaptive Teaching 100
- Nordic for the Visually Impaired
- Classic Ski Skills
- Skate Ski Skills
- Snowshoe Trails
- Nordic Sit Ski

### Recommended:

- PTSD classroom clinic
- Autism classroom clinic presented by Joshua School – found in Online Training in your Ignite account

**Please think about taking any classroom clinics that interest you. Alpine clinics may be substituted for your returning clinic requirements.**
