

November 2018

Dear Prospective Snowsport Student,

We are thrilled that you are interested in participating in snowsports with Ignite Adaptive Sports at Eldora Mountain Resort.

Ignite Adaptive Sports is fortunate to have donors who have designated funds specifically for students who, based on income, are unable to afford the program.

To help as many students as possible, we are only able to offer partial scholarships based on household income.

We invite you to complete the scholarship application form on our website. ***Please fill out the online scholarship form, on your "My Account Page", completely and be sure to tell us how snowsports at Ignite benefit you: Does it help with balance, coordination, independence, fun, socialization, etc.***

The Scholarship Committee keeps all scholarship awards confidential. Instructors will not be aware of your scholarship status and lessons/scheduling are not affected in any way due to that status.

Once your application is received, the scholarship committee will review the application and notify you of your award status. Lesson reservations are on a first-come, first-served basis. The most desired dates in February are frequently booked by early November. (Hint: early and late season days are easier to get). For your reservation to be confirmed, it must be **pre-paid by Tuesday, December 26, 2018.**

We look forward to seeing you on the snow!
